X12	Coniston-Ulverston	S	Travellers Choice	Summer Satur-day	Four trips The current service Is Monday to Friday only	Extras options for leisure/social visits and shopping	New Saturday Service.

Not Recommended for Award

Number	Route	In	Days/Times	Service details	Potential Benefits	Reason	Not Suitable
6	Barrow - Windermere	S/F	Mon-Sat	Three extra journeys a day proposed to improve the current approximately every two hours daytime timetable to hourly.	Shopping, work, Leisure/social activities	Tender did not offer good value for money	Third most popular improvement in consultation. Does not represent good value for money.
106	Kendal-Shap-Penrith	S/E	Mon-Sat	Improving current one return journey twice a week to two hourly	Improved access for work/education social/ shopping	Tenders received did not offer good value for money	A potential conflict with existing commercial services. Timetables, which did not conflict, were produced but did not receive tenders. Partially covered by the service 105. Second most popular improvement in consultation.
564	Kirkby Stephen – Sedbergh – Kendal	S/E	Mon-Fri	Improve current 2 journeys from Kendal (1 from Kirkby Stephen) to 5 journeys from Kendal (3 from Kirkby Stephen) With option of peak works/shopping bus	Improved access for work/education social/ shopping	Tenders did not offer viable service	Potential conflict with Western Dales Bus, due to duplication on route. Stagecoach offered a lower price with combined tender with 563, but that failed to deliver required improvements on that route.
567	Kendal – Kirkby Lonsdale	S	Mon-Sat	Increase current 7 journeys a day to an hourly service	Shopping, work, Leisure/social activities	Tenders did not offer viable service	Timetable was dependent on current operator revising times, but they did not submit lowest price
X6	Barrow - Kendal	S/F	Mon-Sat	Double Monday to Saturday frequency to every 30 minutes and add peak service towards Barrow.	Improved access for Shopping, work, Leisure/social activities	Tender value too high to afford within budget	Was most popular option in consultation but cost would take close to 50% of available budget, so limit scope for other improvements. Stagecoach offered a lower cost service but costs still high and did not offer any improvement Newby Bridge – Grange – Kendal, or earlier arrivals in Barrow

Other Services Yet to be Agreed
